THE

1968 TROJAN

FOREWORD

Throughout history, man has aspired to greater heights in his quest for the ideal. To gain a better understanding of the marvels of nature, of his fellow man, and himself, he has taken many different paths.

One of the guideposts that may be used on the

path in man's pursuit of the truth has been the teachings of those that passed before him. They served to illuminate the way a short distance farther than their predecessors. This year's emerging graduate will be called upon to make his contribution to the task of progress. Unfor-

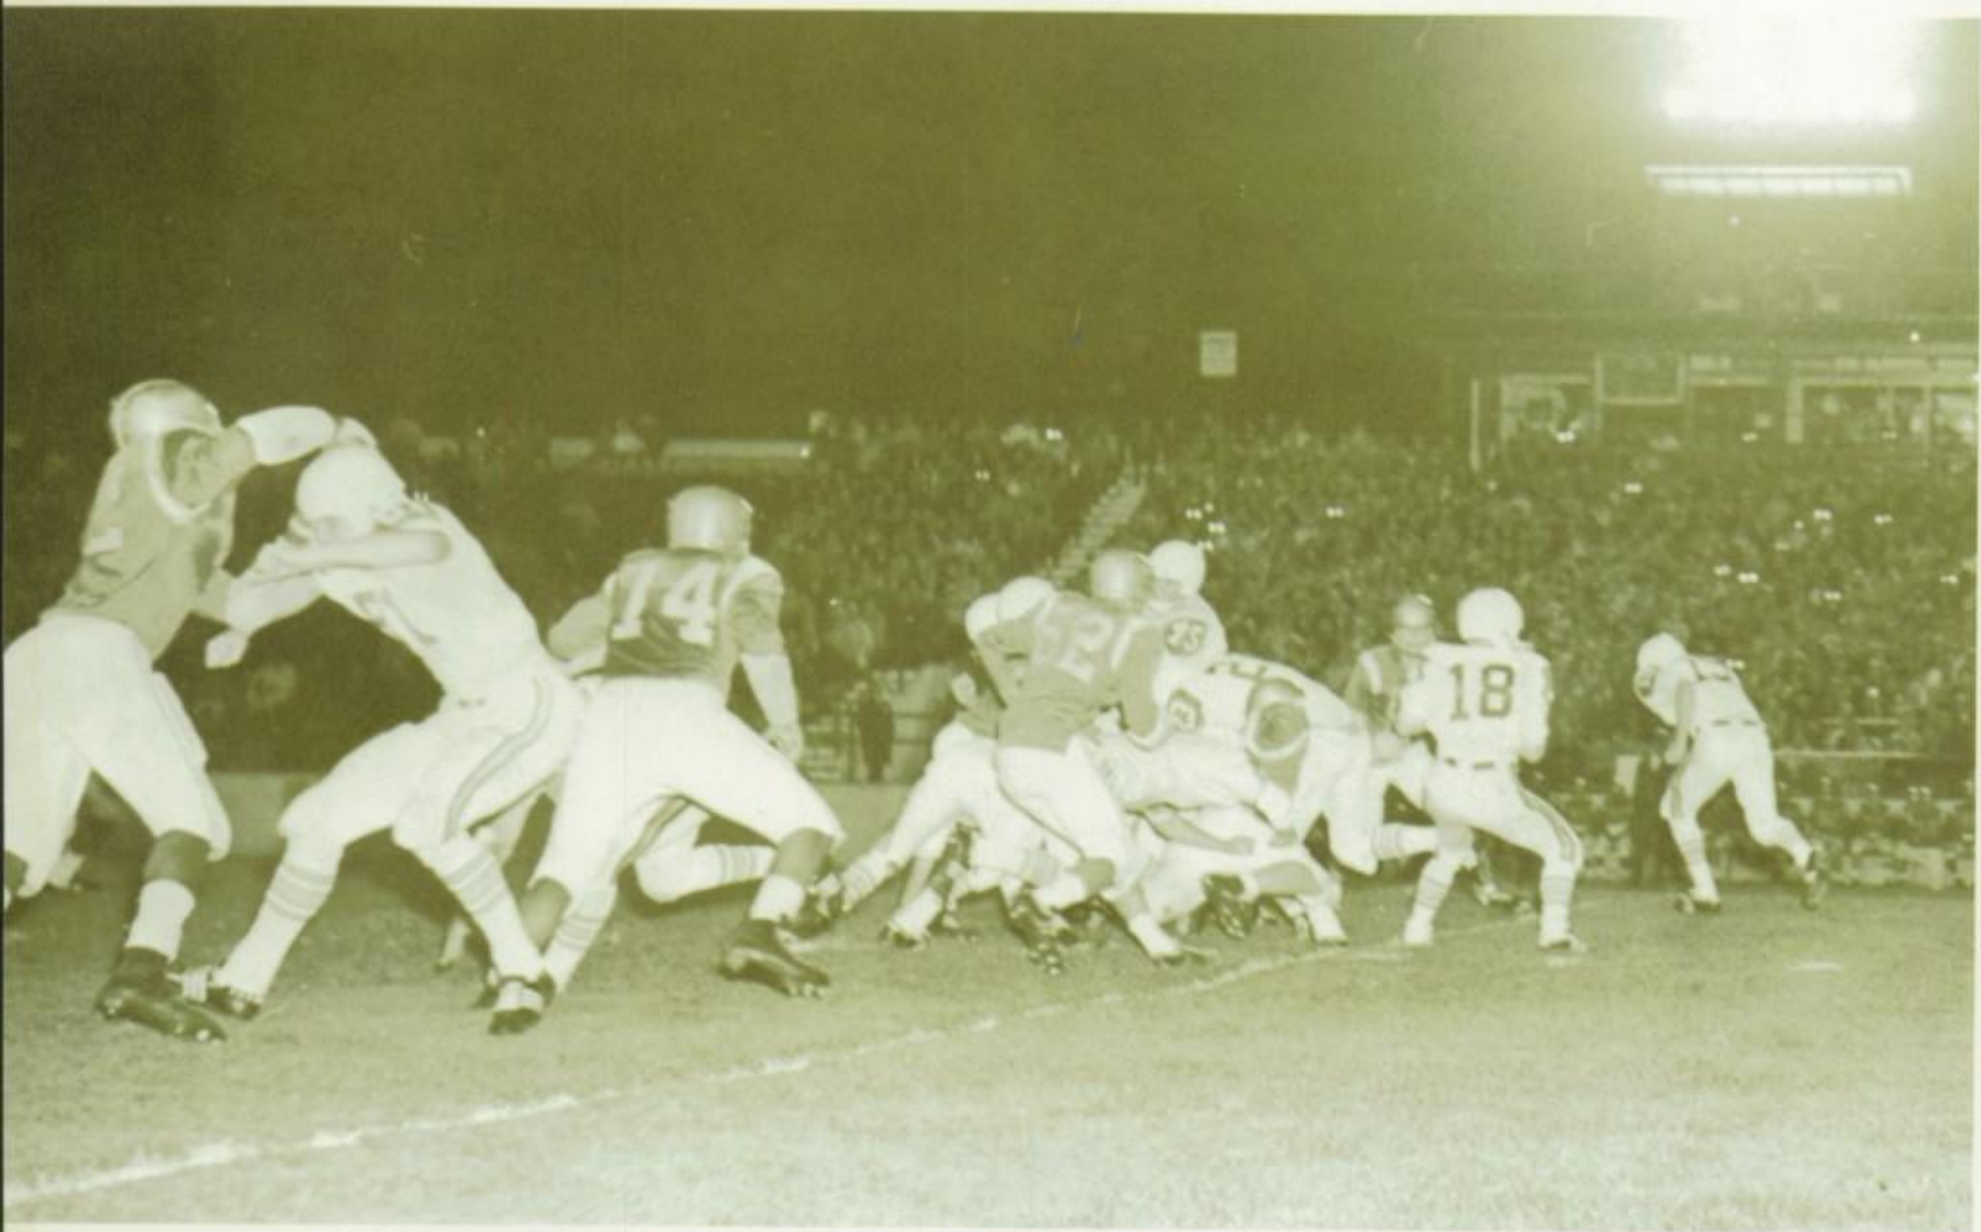

Unfortunately, not many will have the wisdom to be chosen the TORCHBEARER. Initiative, ambition, and an unquenched thirst for knowledge that will make a better world society will drive the chosen few into the unknown. (WILL YOU BE A TORCHBEARER?)

RAIN AND COLD FAIL TO HAMPER HOMECOMING

The glorious Trojans, with grim determination, proved again that the cry of the fans for victory is all the incentive they need to defeat any and all foes. Time after time the agile running and crushing blocking moved the leather down the field.

Even though the opponents showed signs of renewed strength, the stalwart Trojans commanded the battle to an inevitable end.

Mother Nature provided many obstacles in the form of rain and mud, but to no avail. After the final whistle had blown and the score was tallied, the result was clear . . . A TROJAN VICTORY!

HER MAJESTY
QUEEN CINDY WEIS

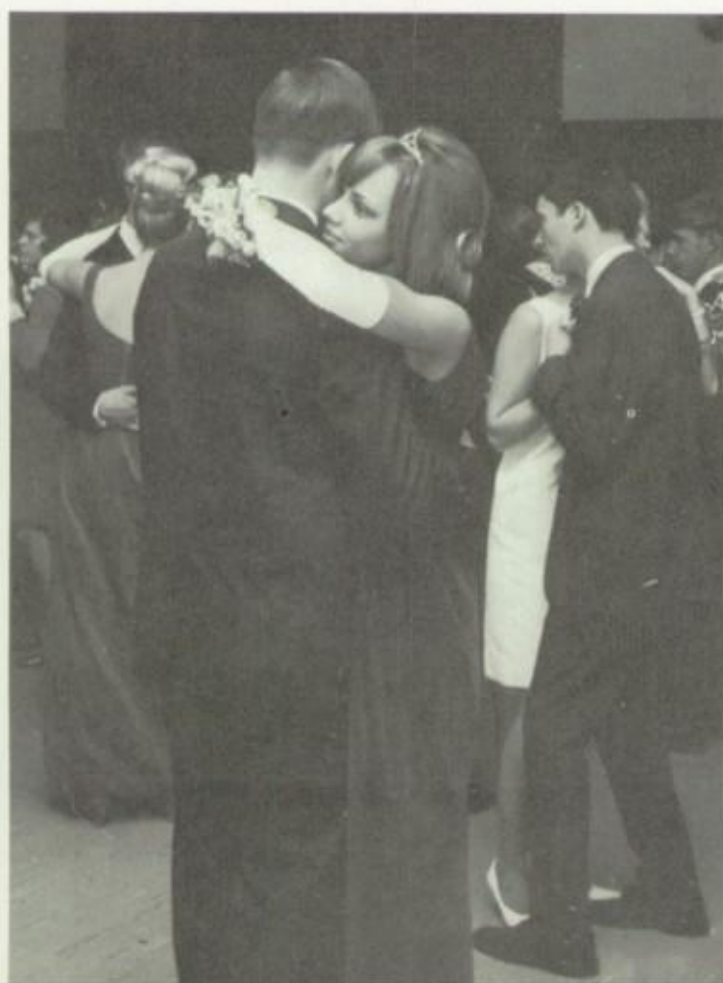

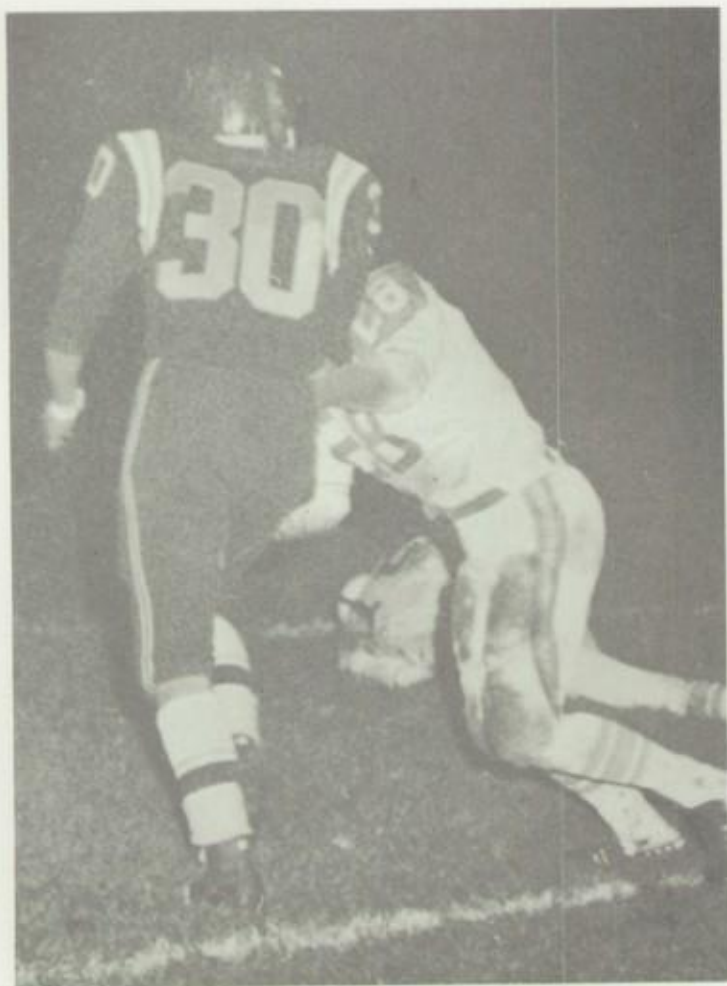

Her Infectious Smile Radiates Through "*Haze*"

Not even the rain could dampen the spirit nor the excitement created during the '67 Homecoming events. The excitement officially began with the annual Homecoming parade and pep rally on Thursday evening, October 26. This year's floats seemed to be the best ever, with Deca I receiving first prize. The climax of the events came on Friday evening during the FHS 38—22 victory over Lorain Admiral King. During the half-time exercises, Cindy Weis was crowned as this year's Homecoming queen. The FHS band played "The Shadow of Her Smile" while the coronation ceremonies were performed by Rod Wynkoop, vice-president of Student Council. Cindy and her court were escorted by their fathers on the memorable occasion. The events were brought to a close at the semi-formal dance "Autumn Haze." Once again, Queen Cindy and her court reigned while FHS students danced to the music of the "Mac" Finch Orchestra.

"HIII...!"

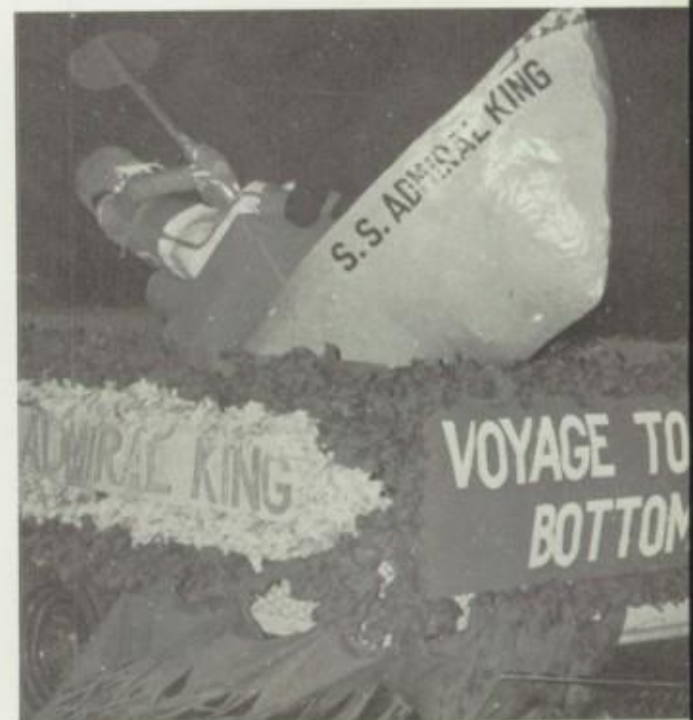

Burn, fire, burn.

"I said use Right Guard, not play right guard."

"LOVE IS BLUE"

"L'Amour Est Bleu" translated "Love is Blue" was the theme of this year's Valentine's Dance, sponsored by the Student Council. Gary Routson and Julia Schober were chosen king and queen with junior attendant Becky Monroe and sophomore attendant Joy Delph. After the coronation, the court led the next dance to the theme song. The Findlay College Dance Band provided the music which set the romantic mood for evening. The decorations were basically blue with white trim.

Jim Autullo, Joy Delph, Queen Julia Schober, King Gary Routson, Becky Monroe, Tom Schuck.

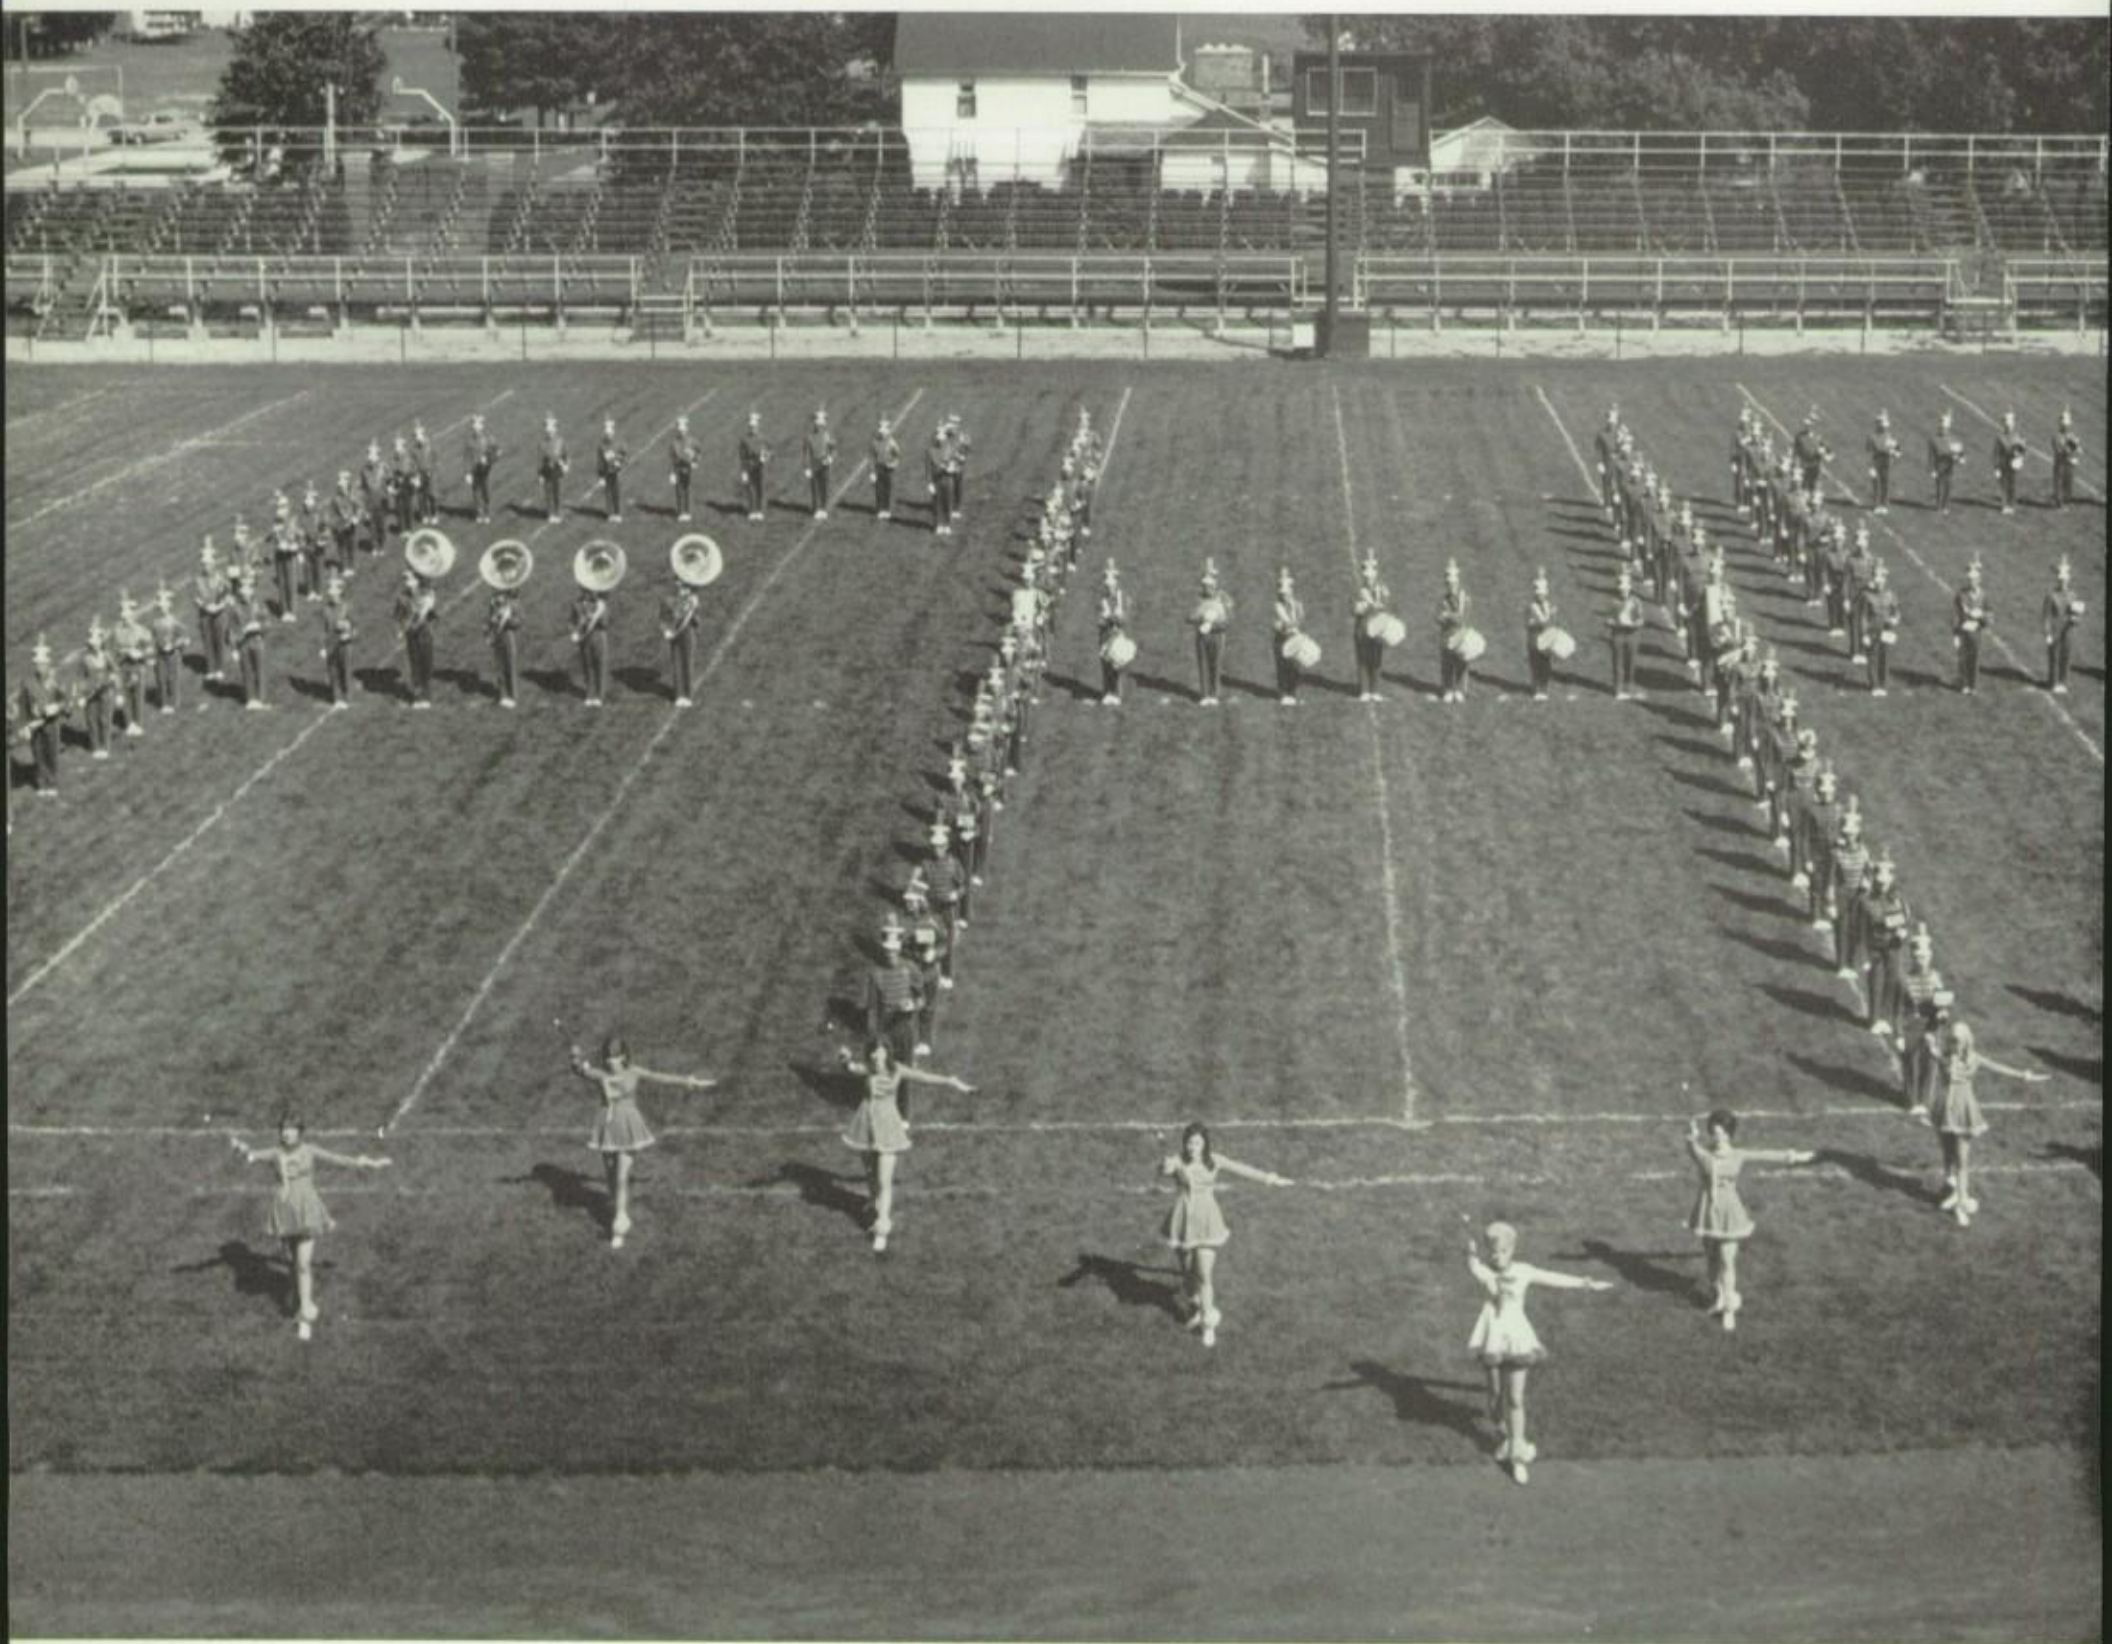

“PSYCHEDELIC SADIE”

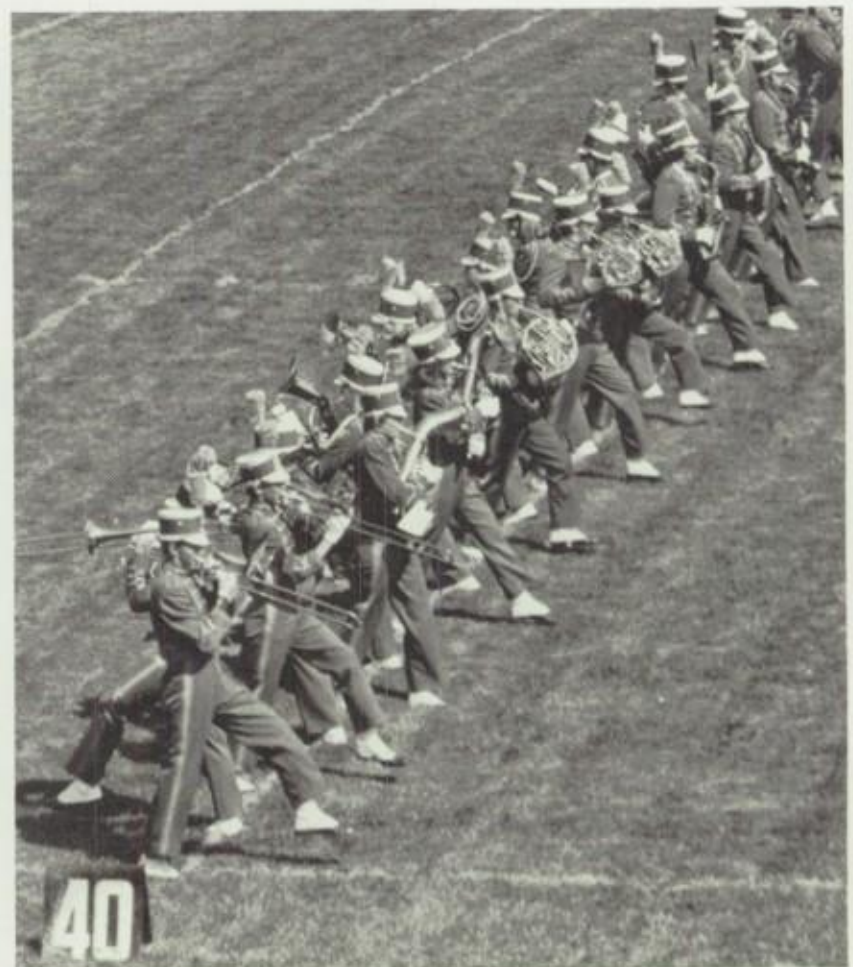

The annual Sadie Hawkins went psychedelic on Saturday evening May 4, 1968. The F.H.S. cafeteria was transformed into a multi-colored hippie land with music by the “Children of Tyme.” Mary Morman and Dave Stover were elected traditional Daisy Mae and Abner while Jackie French and Chris Houdeshell reigned as psychedelic queen and king. Besides dancing, a fish pond, ring throw, and basketball throw were sponsored by members of G.A.A.

A COMBINATION OF QUALITY SOUND AND PRECISION MOVEMENT MAKE "MARCHERS" FAMOUS

Frequenters of the musical extravaganzas thrill to the spiningling sounds of the FHS marching band. Known nationwide for its ability to combine the quality of "stereophonic" sound with military precision, the aggregation continues to draw praise. This year the "marchers" were under the direction of Mr. Robert Morgan who proved that he was worthy and qualified to lead these fine performers to even greater recognition.

“See How They Run,” directed by Mrs. Carrol Barton, was a wild farce of comical events which kept the audience in constant laughter. This modern three-act play centered around an English vicarage. John Huston was the student director, James Johnson, technical director, and Dawn Menerey, business manager.

“Now look here, Barton.”

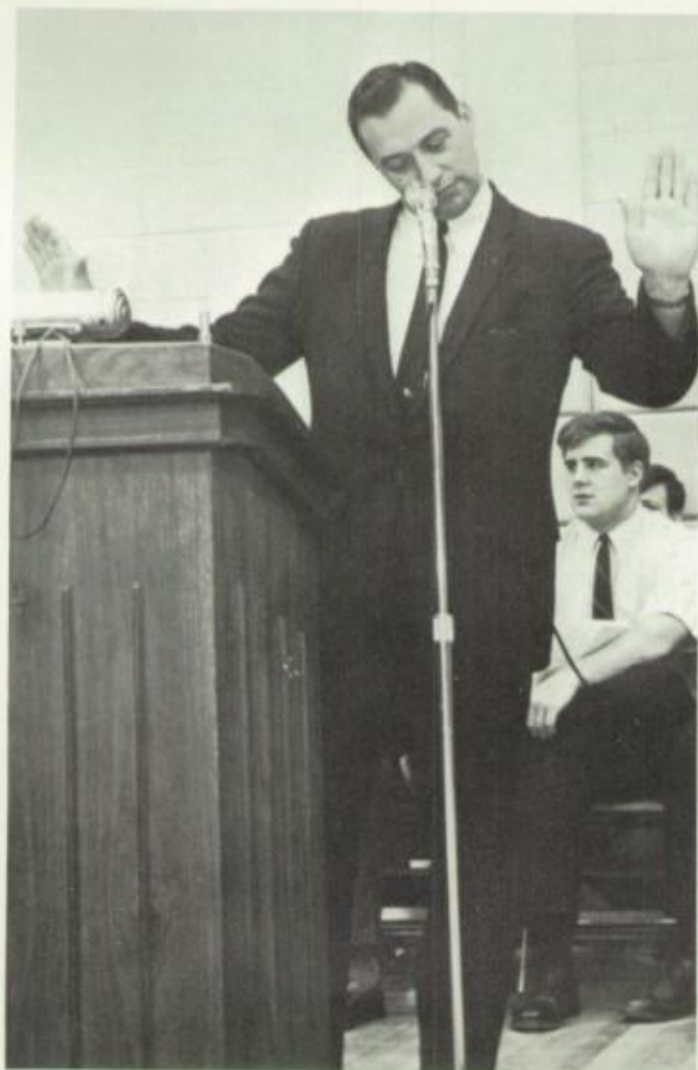

O.K.!

Hey—I got an "A"!

No applause, please.

C'EST LA VIE

Please may I take my tray back?

We actually won!

Duh.

A.F.S. WEEKEND STRENGTHENS WORLD TIES

FHS DISPLAYS ITS CULTURAL DEVELOPMENT

*Calpurnia, Patricia Aldrich;
Caesar, Jerry Kauper.*

LATINUM CONVIZIUM

At the Latin Banquet, everyone was dressed in togas, tunics, and sandals. The students appropriately ate grapes and bowls of fruit graced the tables. Calpurnia and Caesar were elected to reside over the evening by popular vote of the Latin classes.

The students of the French Fair luxuriously dined on French pastries and goodies. Native songs and folk dancing entertained all.

The festivities of the language department are proof that knowledge of foreign languages is fun and is becoming more and more important in our jet age.

LA FÊTE FRANCAISE

FHS assemblies provided variety, entertainment, and education this year. The Miami Choir performed a variety of songs for the entire school. The Easter assembly was an illustrated narration from the Garden Scene to the Resurrection. The Karate program was the most exciting and popular of all the assemblies this year.

An Oriental atmosphere was the theme for this year's Junior-Senior Prom. Couples entered the transformed gymnasium upon a bridge spanning a lighted stream and rock garden. Carrying on the theme were cherry blossoms and buddha centerpieces. Various shades of pink, purple, and orange were the basis for the false ceiling and painted murals.

Post-prom activities began with a midnight snack at the Elks Club and concluded with a breakfast at Camp Berry. In-between activities included miniature golf, bowling, and a movie at Central Junior High.

Many hours of hard work were contributed by the Junior Class advisors, Mrs. Jeanne Butler and Mr. Theron Frost. A tip of the hat especially goes to Debbie Hoppe for the organization of "Sayonara."

"FROM THE PLAINS OF HESITATION WE AWAIT THE DAWN OF SUCCESS"

The blur of blue and white mortar-boards signifies that another graduation has come to a close. Some feel the joy of freedom, while others are sad. Still others feel little at all as they think of all they have to do in the next few months. A segment of our lives has ended and we will never again attend FHS.

Although many parents reminisce and recall incidents from the past, the graduates look toward the future. Class speakers Cindy Gibson, Gary Routson, Julia Schober, and Steve Woodruff presented the challenge that we might work from this pause in our lives till we achieve what we desire, or "Success."

ACHIEVEMENT

ACHIEVEMENT BECOMES MORE IMPORTANT AS SOCIETAL DEMANDS ARE INCREASED

Fortunately, in a world tormented with unrest, those who are preparing for the future are still recognized for their efforts and most of all, their success. Few can boast of the scholastic achievement that those pictured here have attained. Recognition of those individuals in our yearbook is only one of the many accomplishments that will befall those who are so deserving.

IN MEMORIAM

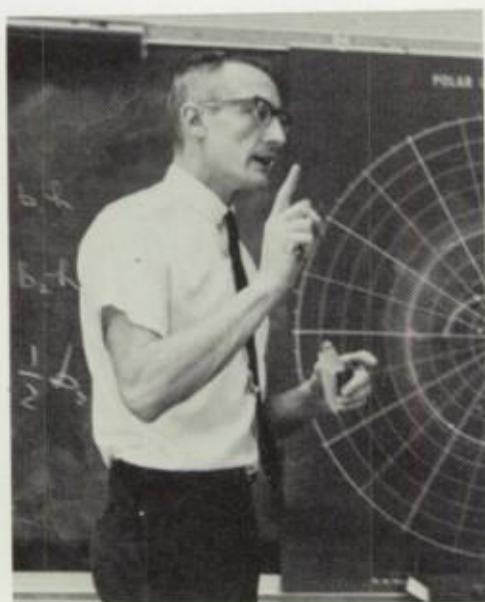

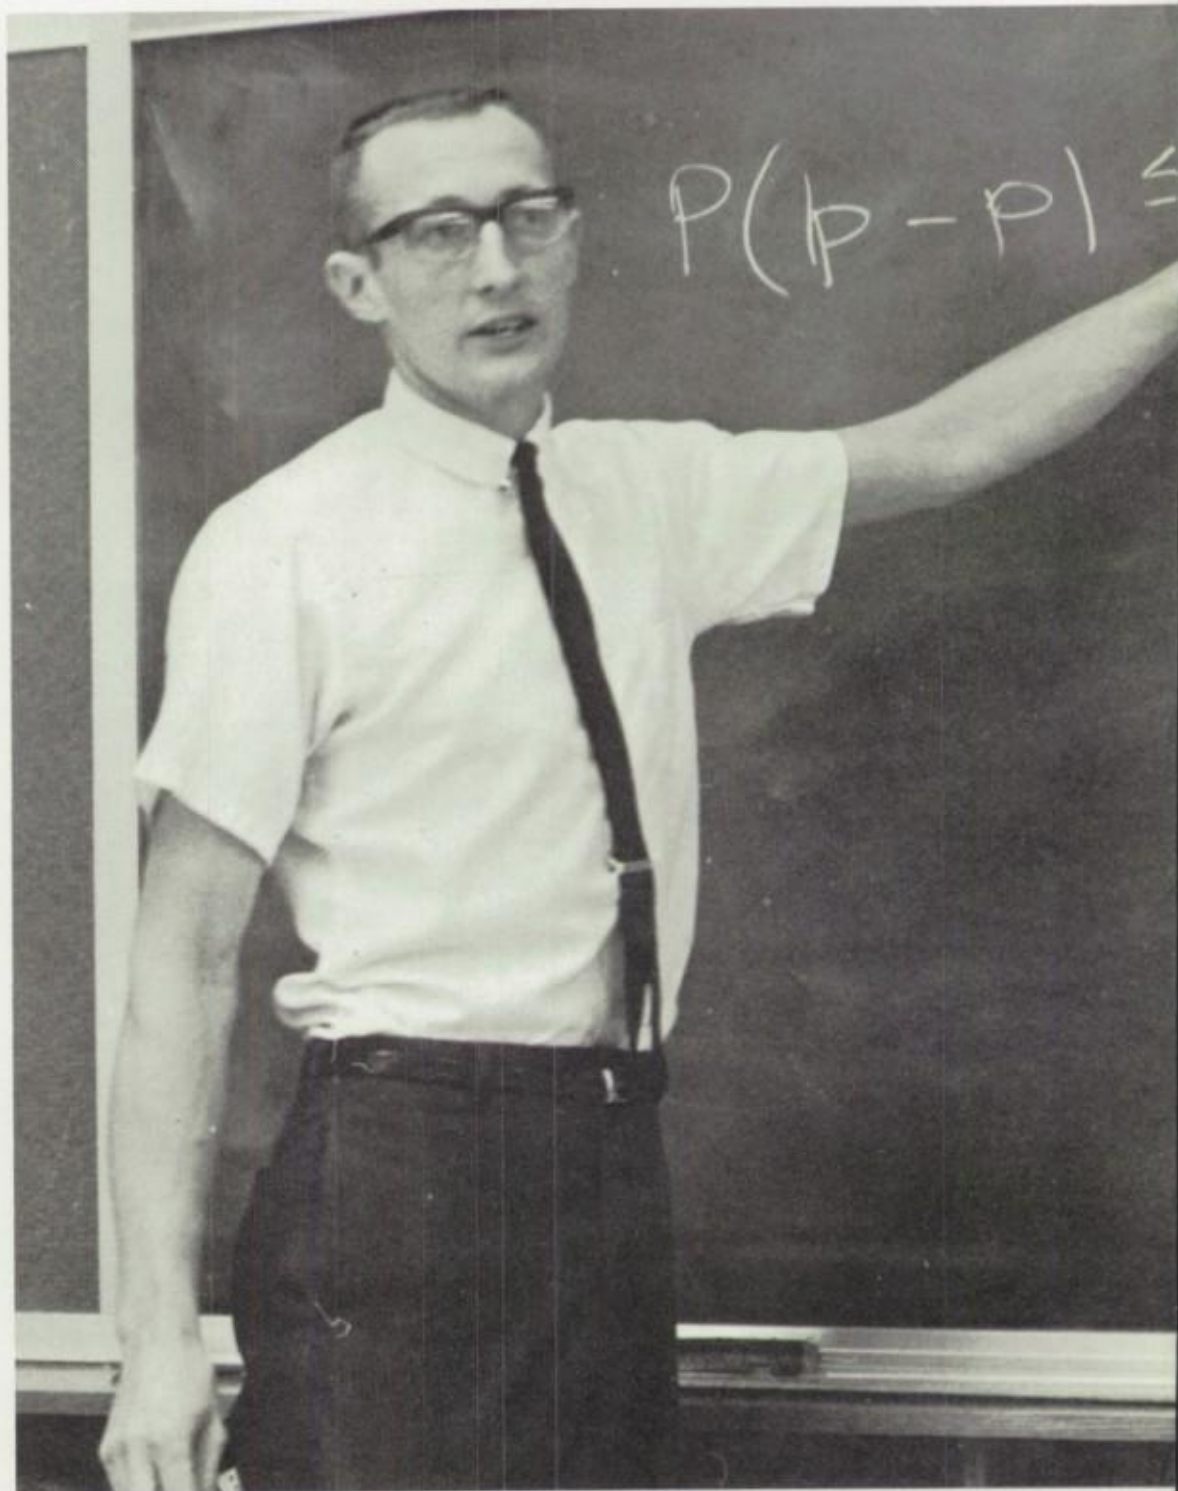

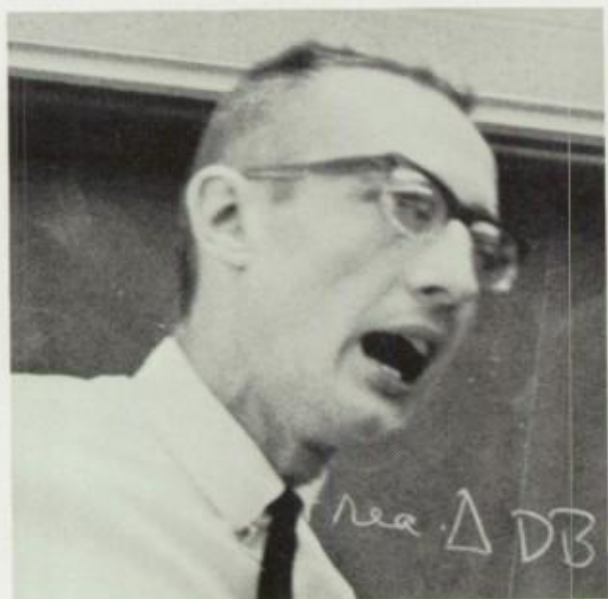

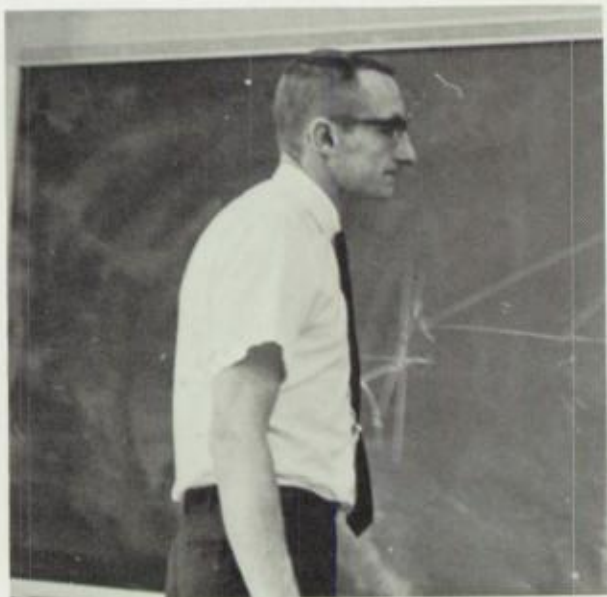

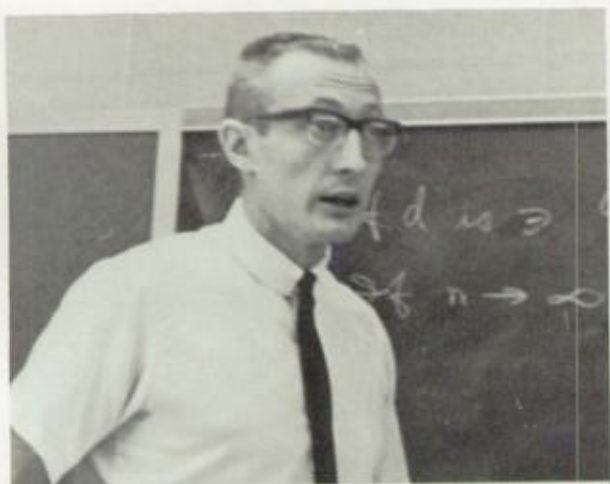

We hoped to find the teacher at her desk
(She always found so much to finish here
Before tomorrow—one more note to make,
A book to scan, a torch to light again.)

The room is still, devoid of life—bereft.
No lilting laugh, no penetrating gaze
Which plucks half-truths like chaff from golden grain
And gives a student vision and resolve.

Her book is closed upon a sheaf of notes.
A paper flutters in a pulse of air
And joins its fallen comrades on the floor
To wreak confusion in the silent room.

“The teacher’s gone—gone home, I’m sure,”
A student shouts and runs to join his friends.
She knew a dream of other worlds than ours.
We could not hold her here. Gone home? Of course!

BUT NOT SPIRIT

Despite the fact that FHS had one of the lightest weight teams in the Buckeye Conference and a number of injuries throughout the season, the Trojan grid-ders ended up with a respectable 5—3—2 record. Sometimes even the weather seemed to be against them. It either rained or snowed during six out of their ten games.

Nevertheless, a number of honors went to FHS individuals. Halfback Raul Martinez was named to the Buckeye Conference first team. Quarterback Steve Woodruff, end Dave Oberly, linebacker Bill McKinnell, and defensive back Gary Routson earned second team honors.

'A sign of a good team is that they come back when they are down,' and this is exactly what the JV football squad learned to do. Under the coaching of Robert Morrison they ended the season with a 2—2—2 record. But even more important is the fact that they promise big things for the Trojans in the future.

VARSITY CHEERLEADERS: Cindy Weis, Cindy Gibson, Cheryl Johnson (holding ball), Sue Grohoske (standing), Judy Tille, Lisa Adler.

Regardless of the weather or the team's record, the devoted cheerleaders were always on hand to spur the Trojans on to their next victory. Sacrifice of time, effort, and energy was necessary to accomplish this goal. New devices that the cheerleaders used this year to arouse enthusiasm included the "spirit stick" and the addition of skits at pep rallies. These were introduced at the cheerleading camp which the varsity cheerleaders attended the previous summer. These girls deserve much credit for the outstanding job they did as leaders of the loyal Trojan fans.

Final Record 6—13

Although they were small in stature, this year's Trojan Roundballers were filled with a might which was feared by even the biggest teams. The spring and energy of guys like Dave Evans, with the shooting ability of players like Mark Ammons and Mike Rieker, coupled with the coordination of men like Steve Woodruff and Greg Lishawa, and the defensive playing of Mike Wall make up the ingredients of a well-rounded team. Even though their record was not the most impressive, this year's team was certainly the most improved in the Conference. These guys gave the toughest teams a big headache and because of FHS's success the Buckeye Conference lead changed more than once.

Since only four members of this year's varsity graduated, the prospects for next year's team are promising. Team work and co-operation is the key to a successful team, and this year's Findlay Trojans certainly learned that this year.

"Let's Go . . ."

The J-V Basketeers were not lacking in speed, co-ordination or teamwork this year. These qualities, along with the direction of Coach Buroker, were combined to make an impressive team. These enthusiastic boys always had the extra measure of energy to come from behind to win their games. They weren't big but they were mighty and they whipped even the toughest teams. Their excellent record is proof that they will be a great asset to next year's varsity.

"It's Stuck!"

This year's Girl's Basketball team had an excellent record and lots of fun. The three outstanding players were the senior tri-captains Marsha Hubbard, Cheryl Johnson, and Norma Peterman. Marsha Hubbard was high scorer for the year. The girls diligently practiced every Tuesday and sometimes Thursday after school. Mr. Rosencrans, the father of one of the girls on the team, took over the team just after the season opened. He had been coach of another girls team some years ago. The girls had some really close games and one of the toughest was the Fremont game which was played there. They lost the close game by two points which were made in the last few seconds of the game. Next year's team has high hopes to continue the excellent record of the past.

Mike Brinkman placed 3rd in both the Buckeye Conference and the Bowling Green Holiday Invitational Tournament. Coach Montgomery feels that despite their size and stiff competition, the team made a favorable showing.

TANKERS

The 1968 Trojan tankers became the first swim team in F.H.S. history to complete an undefeated season. In swimming to this record, the Trojans set several new school marks: 200 yds. Medley Relay, 200 yds. Freestyle (J. Stevens), 100 yds. Butterfly (M. Mathias), 100 yds. Breaststroke (B. Rowe), and 400 yds. Freestyle Relay.

Co-captains Gary Cramer and Mark Mathias were awarded the respective honors of Most Valuable Swimmer and High Point Man. Doug Bender accumulated the most diving points.

In addition to setting new school, Buckeye Conference, and District records, the Medley Relay team composed of Cramer, Rowe, Mathias, and Stevens, went on to place second in the state. Jim Millon qualified to compete in the State Diving Championships.

DIAMONDMEN

The '68 diamondmen brought home the first Buckeye Conference Championship in baseball for Findlay.

Although the season started slow and at one time the Trojan record stood 3—8, the team made a miraculous comeback winning over all other conference teams in the state. Mark Ammons was leading batter at 397 hits and Dave Evans had twenty runs batted in. Jim Millon, the leading fielder, came through the season with only one error in nineteen games. FHS is proud of their baseball club.

THINCLADS

Excellence in running, throwing, and jumping proved helpful to FHS's track team as it closed its 1968 season with a five-won, two-lost record.

The team placed 2nd in the Fremont Relays, 7th in the Buckeye Conference, and 10th in the District. One lone senior, Don Weiler, traveled to Bowling Green to participate in the regional meet where he took 8th place.

This 1968 team was the first in FHS history to use the facilities of Findlay College for its home meets.

Final Record 10—3

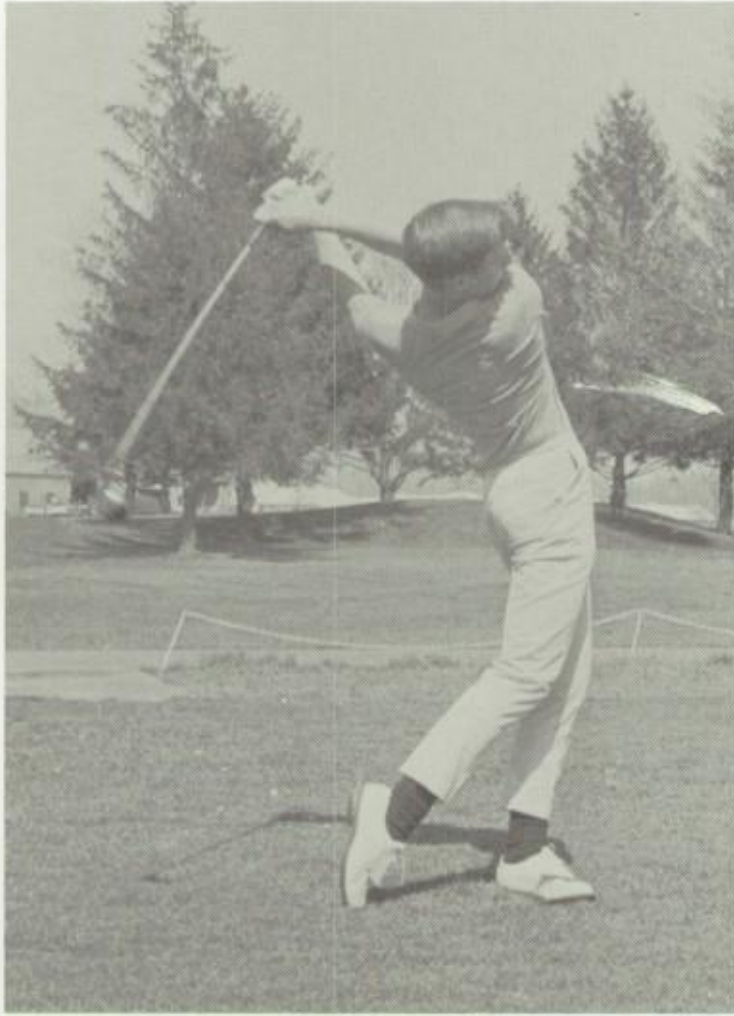

This year's "ironmen" produced a more outstanding season than ever. With a 10—3 record, they captured first not only in the Buckeye Conference, but also in the District Tournament. In the tournament they defeated the defending champion from last year, Lima Shawnee. The "ironmen" had the honor of going to the State Tournament and there they placed nineteenth.

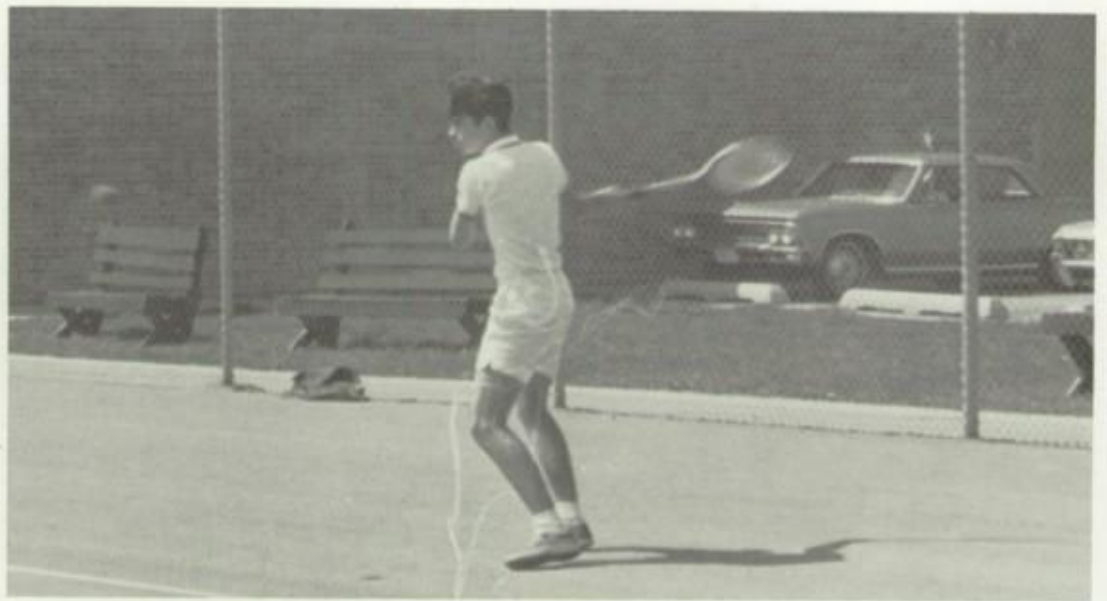

Randy Fife was 1968's medalist with the lowest average of the players—78.8 strokes.

Coach Bachman's golfers deserve a lot of credit for the reputation they have given to FHS.

RECORD FAILS TO MATCH TROJAN NETTERS' SPIRIT

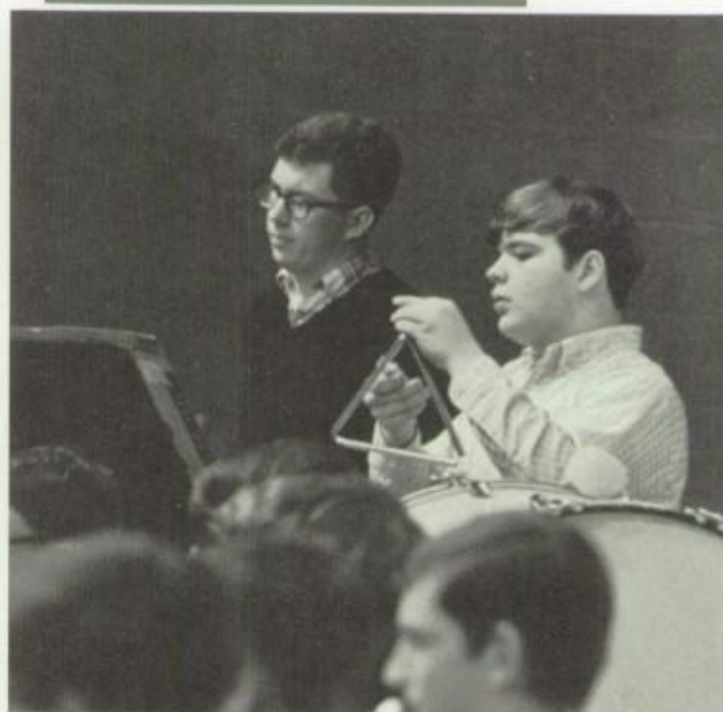

Skilled opposition, gusty winds, and wet weather joined forces to hamper Coach Harry Gonso's tennis team. With only one returning letterman, the squad lacked experience. Nevertheless the team effort brought forth four victories, and three close defeats. Gary Redick advanced to the finals in district competition. Coach Gonso, well pleased with the spirit of the boys, has high hopes for next year.

INTERNATIONAL HONORARY SOCIETY FOR SCHOOL JOURNALISTS

STUDENT COUNCIL PROMOTES NEW PROJECTS

This year's Student Council, under the leadership of Steve Woodruff, worked as a unit to promote a number of school and community activities. These students sponsored Findlay's Steve Beattie Fund, and a Korean War Orphan. The annual Citizenship Week, the Homecoming weekend, and the Valentine's Dance were just a few of the main projects presented by this organization. The council also helped with the New Student Reception, Parent's Night, class elections, Salvation Army Drive, and the clothes drive for Save the Children's Federation. A new experience for the group this year was supervising the cafeteria during the lunch periods. The proceeds from their Talent Show, Slave Day, and the juke box in the cafeteria went toward helping Findlay's Anchor Teen Center. The council, the student government of FHS, deserves much credit for its accomplishments.

Projects, ranging from sponsoring the annual AFS stock sale to the distribution of Christmas baskets to needy families, made this year's Key Club as outstanding as ever. Under this year's leader, Vic Moore, the club sold and edited the basketball programs, helped in the school library and in FHS's new resource center, sponsored a car wash and an after-the-game dance, and distributed textbooks to teachers the day before school started. The Key Club helped with a number of community projects. Among these were the Findlay College homecoming parade, the Kiwanis Peanut Sale and Pancake Supper. The group also crated 10,000 chickens for Elsie's farm and once a month attended church together. This year's Key Club has played an important part in the success of many school and community activities.

The officers of the '68 Key Club were President Vic Moore, Vice-President Rod Wyncoop, Secretary Bruce Jackson, and Treasurer Dave Dudley. Cindy Pressnell was chosen as their sweetheart.

A.F.S. AROUND THE WORLD

The A.F.S. Club had many exciting projects this year, among them a Christmas party with foreign foods and French carols. To raise money the club sold Christmas cards and sponsored an after-the-game dance. The highlight of the entire year was the annual A.F.S. Weekend. Foreign students and their hosts from other cities come and spend the entire weekend together. Weekend activities included a private party, a banquet at the Findlay College Student Union, a dance for the entire school and a talent show, featuring foreign students and club members. Year-end activities included a farewell reception for Cris Cadiz, our own exchange student from Chile, and club picnic. The Girl's Athletic Association boasts one of the largest club memberships of Findlay High School. 'G.A.A.' strives toward keeping F.H.S. girls more physically fit. The lively week-long initiation activities were planned and carried out by president Cheryl Johnson. Assisting her throughout the year were vice-president Linda Ridge, secretary Sheryl Kissick, treasurer Judy Pickens, social chairman Sara Stalter, all under the advice of Mrs. Etta Cassidy. The club sponsored a Homecoming float, intramural basketball, and the annual "Psychedelic Sadie" dance. At Christmastime the group held a Christmas skating party, and ended their year with a spring picnic and the election of officers. The club chose Denny Bash as the G.A.A. sweetheart.

One of the requirements to join this club was to have earned their varsity "F" letter by participating in some sport or by managing. The club participated in a number of activities this year such as: they organized a children's Easter egg hunt sponsored by the area merchants which has become an annual event, they bought track and swimming record boards and a "player of the week" board which will be posted next year, and they also dribbled a basketball to Fostoria before the game.

O.W.E.

O.W.E. or Occupational Work Experience was a new program this year at F.H.S. The students went to school in the morning and worked in the afternoon. This program was open to any eleventh or twelfth grader who's interested in learning business and industrial skills while in school. The employers co-operated with the school and the advisor, Mr. Kromer, by giving periodic evaluations of the student's progress. The participants had to work a minimum of fifteen hours a week to be in this organization. To teach economy they had to deposit in the bank at least 20% of each pay check, which could not be withdrawn until after the school year was over.

The Library Assistants were a vital part of our F.H.S. library. They gave their study hall time to do a number of jobs in the library. They put the books back on the shelves, they checked the books out, they took attendance and did a number of other jobs. The librarians would never have been able to run the library as smoothly as they did without them.

YOUTH FOR CHRIST

The purpose of Youth For Christ is to help young people better understand life: who they are, where they're going, and why they're going there. Through discussion, films, excellent speakers, and entertaining activities, the club tries to communicate the answer to our complex problems through the person of Jesus Christ. The elected officers were President Gordon Okuley and Vice President Cathy Driscoll. The activities of the year were a full-length movie entitled, "Beloved Enemy", a psychologist from Findlay College, and a year-end picnic.

SPANISH CLUB

The Spanish Club was reorganized this year under the supervision of Mrs. Reardon and Mrs. Zaruba. Highlights of the year's activities included a play, "Little Red Riding Hood" or "Caperucita Roja", and a Christmas party. THESPIANS

"Antigone", an adaptation of Sophocles' ancient tragedy, kept F.H.S. Thespians occupied for the first part of the year. The production played to responsive, enthusiastic audiences.

"See How They Run", the spring production, provided a great change of pace. This three-act farce came to the stage in April. The swift-moving play received a standing ovation, a rare occurrence with comedy.

Socially, the Thespians attended several B.G.S.U. productions. The year ended with a banquet and the presentation of several awards. Heading Thespian Troup 451 were President Tom Lacey, Vice President Rosie Guyer, Secretary Jamie Wilkie, Treasurer Steve Workman, Clerks Judi Herrin and Karen Leddy, and Social Chairman April Hampton.

The Future Teachers of America group was more active than ever this year. Besides their annual visitation day, in which they visit a school of their choice and often assist in teaching, they also assisted FHS teachers in grading papers and typing.

The girls heard many fine speakers throughout the year, attended a district conference in Lima for the first time, and assisted with Parents Night.

They closed the year with elections of officers at the annual tea. The '67-'68 officers were President Cindy Gibson; Vice-President Judy Leathers; Secretary Sarah Davis; and Treasurer Debbie Kaegebein.

What happens when top geologists, drillers, refiners, engineers, scientists and businessmen get together?

This.

(We call it the most powerful ingredient in gasoline today)

Our money-back guarantee of satisfaction was the result of many talented people pooling their efforts for a single cause. Their goal was to produce superior petroleum products for Marathon. And they succeeded. So well in fact, that Marathon backs these quality petro-

leum products with a guarantee. This guarantee reflects confidence in our products and people and creates confidence among our customers. Two good reasons why Marathon keeps growing every year. Now you know what happens when a group of professionals get together.

The staff hopes that our '68 annual has captured some of this year's wonderful moments. To the administration and faculty, we express our gratitude for your patience and good will. A special thanks is due to Mr. Schellin for his picture-taking ability and sense of humor.

And most important of all, I would like to thank this wonderful staff for the hours and hours of work they so unselfishly gave. As I mail this last page I am sad, but confident that our work will bear the fruit of another great TROJAN!
